

A day of Edvard Munch

Experience a taste of Edvard Munch's art and life in a day.

Much of the artist's life and art can be linked to the areas surrounding the Oslo Fjord.

Scheduled to open in 2019 is Ramme in Hvitsten just south of Oslo. Here you can experience Munch's summer resident (1910 until his death in 1944), a new fine art gallery which will exhibit some of Munch's art and a unique hotel with 42 rooms.

Scheduled to open in 2019
