

Lobster seathrill – wonders of the Oslofjord

Winter fun on the Oslo Fjord...

After pick-up in Oslo we will travel by RIB towards Drøbak and Oscarsborg Fortress. During our tour we may be lucky to see some seals swimming and playing. On our way we will make some stops at interesting and historic places before we shall haul our lobster pots. And with a bit of luck we have got a catch...

- *We bring today's catch with us to Drøbak and Sjøstjernen Restaurant where it will be included in our lunch.*
- *After lunch there is time for a quick walk through the idyllic town of Drøbak before we return to Oslo by RIB.*
