

Losby Gods – accommodation in an old

Losby Gods – a unique experience!

Losby Gods is a historical hotel in the middle of magnificent nature and beautiful surroundings. Only 20 minutes from Oslo and 30 minutes from Oslo Airport Gardermoen. The old manor house, originally built in 1850, was renovated, restored and opened in 1999. Combining the old manor house with a modern fully equipped conference centre and hotel. We are very proud of the history of the manor and we are more than happy to tell you it's exciting history.

At Losby Gods we are proud of our traditional cuisine, and most of the food is made fresh on site with the finest ingredients grown in our own herb garden and from local producers. The hotel is surrounded by two golf courses and you can go fishing, hiking or canoeing close by or just enjoy the fresh air and historical surrounding.
