Pilgrim Packages

We wish all pilgrims welcome to a well-deserved break at Stenbekk – the place to top up!

Stenbekk has roots going way back in time. It is majestically located by Vestvannet Lake on route 114 in the municipality of Sarpsborg, just 3 km from the E6. The property is well maintained and provides good facilities. All of our 25 rooms have their own bathroom. There are also beautiful communal areas and a lovely outdoor area and orchard. The immediate vicinity offers excellent activity options – walking, jogging, cycling, swimming and canoeing – or just sit in the orchard or by the water's edge and enjoy the views and the peace and quiet. You are most welcome!
