A luxurious hiking package for the active bon viveur

Enjoy mansions life and awe-inspiring nature in the heart of Dalsland. Stroll around our beautiful English-style park. Enjoy the wonderful scents and discover every corner of the park, everything from pergolas to herb gardens to magnificent trees, originating from the 19th century. In the evening, you'll enjoy our classic 3 course menu before a satisfying night's sleep in our shared double rooms.

Once you have awakened, and perhaps taken a morning dip, you can experience our incredible breakfast buffet. You'll each be given a hiking lunch, full thermos flasks, and with your rucksack on, you can start the day's hike. The hiking trail

around 'World's end' is a real experience with its bridle paths, romantic bridges, and benches all along the way. Then take a refreshing swim and enjoy the lake sauna.

On the second night, we'll serve our immeasurably well-loved 5 course menu. Let our headwaiter put together a wine package for your dinner, to create a flawless taste experience.

As an end to your visit, perhaps you'd like to go out for another hike or just enjoy the surroundings and the beauty of nature. We also recommend a tour along the Dalsland Canal with one of the canal boats, traveling by railcar and/or taking a horse ride with Dalslands Aktiviteter.
