

ARVIKA KANOT & TURISTCENTER

With nature as your guide

In 'The Swedish lake district', you will find more than 800 km of paddling trails. Arvika Kanot & Turistcenter offer you 10 different tours and we have something for everybody. Here you will find everything from complete wilderness to charming agricultural areas. During the trips there is ample opportunity to experience both cultural and geological sights, and there are lots of places to buy provisions or to have a nice cup of coffee. There is rich wildlife with an abundance of beavers, moose and several different kinds of birds.
