Family adventures on the idyllic Klarälven river

Live like a lumberjack for a day. A challenge/adventure for the whole family, where cooperation is key. You'll build your own raft from logs and ropes, and float with the help of the flow of the Klarälven river, all arranged by Vildmark i Värmland. Be prepared for a trip where you'll see the wonderful, natural views on offer here, and maybe some surprises in the form of backwaters, sandbanks and more. You can also take the opportunity to try your hand at fishing. At the final destination, you'll dismantle your raft and hand the equipment in.
