## Värmland in Sweden offers stunning unspoilt countryside, just waiting to be explored.

Värmland is located in central Sweden and offers great nature experiences. Here it is optimal to recharge and breathe fresh air surrounded by dense forest and unspoiled nature. This package includes a four-day trip to the region where hikes and gourmet experiences are on the menu. Stay on Långberget Sporthotel where you explore the natural surroundings on the hiking trail North Värmlandsleden, and Ulvsby mansion, where it offers local exquisite taste experiences. Would you like to explore more of the Värmland nature so you can go on a moose or beaver safari, cycling, or canoeing in one of the lakes that are around. And are you interested in culture can you visit the writer and Nobel Prize winner Selma Lagerlof's home Marbacka and take a guided tours given in several language.

### Hiking trails:

Halgåleden 6,7 km

Sjutorpsleden 7,9 km

Sundbergsleden 6 km

Nordvärmlandsleden –  
flera distanser att välja
