

GLASKOGEN NATURE RESERVE

Exciting adventures

Glaskogen Nature Reserve is in western Värmland. The area spans 28,000 hectares with 300 km of hiking routes for both long and short tours, with many shelters and overnight cabins. A complete nature experience awaits you with great canoe trails, marvellous fishing opportunities in over 80 lakes and many nice roads to cycle on. The Nature Reserve has unique flora and fauna.

Glaskogen Nature Reserve features:

- Wilderness camping
- Campsite for tents (also big groups)
- Cottages
- Canoe, boat and bicycle rental
- Info centre with mini supermarket
- Café
- Arrangements for groups
- Wilderness guide
