Hiking in Gränslandet (the borderlands) – Discover the mystical Finn Forest trail

The Finn Forest trail goes through the dense forests of Eda. A certified signature trail that offers hilly terrain, untouched forest lakes, beautiful fens, and the borderlands between Sweden and Norway that are brimming with historical thrills. Two days of hiking in a real wilderness are not just a challenge, but also a fabulous way to unwind. The package includes an exclusive solution with drop off and collection by car after every daily stage, which means that you only need to pack light, and thus you can focus on enjoying your hike.
