

We invite you to a day filled with fun activities in Scandinavia's second largest climbing park, Høyt & Lavt – Lillestrøm. Only 25 minutes from Oslo and 17 minutes from Oslo Airport.

Our climbing park mainly consists of a variety of courses in the trees. The courses vary in length and level of difficulties, and are built into the natural terrain. Using wires and ropes to traverse the course you will be treated to an exciting view from the treetops. We have special deals and offers for families, businesses and large groups

Experience the world from the treetops with over 41 ziplines, 224 obstacles along 20 courses of varying heights, lengths and difficulties, making it a park suitable for all ages. Come to us for a day filled with fun experiences or take a walk in our beautiful paths in the woods. Taste homemade food in our café!

Welcome to us!
