

In need for speed.....

A fun day for families with action and adventures...

Just south of Oslo you find Tusenfryd, Norway's biggest traditional amusement park. Here you can try out some breathtaking attractions and rides.

From Tusenfryd there is only a short bus ride to Drøbak where the RIB's are waiting us.

One hour on the Oslo fjord will give you thrills and new experiences. If we are lucky maybe we will meet seals or can see the impressive sea eagles on our way back to Oslo by RIB..

We will visit Tusenfryd and Drøbak.
