

Christmas at Bærums Verk, a historic place from the 1600's

Enjoy the atmosphere at one of Norway's best Christmas markets in beautiful and historic surroundings at Bærums Verk. Here you find modern Scandinavian design side by side with local handcraft and gifts you won't find elsewhere. Enjoy the smell and taste of local artisan food and Norwegian specialties.

Experience a good, old-fashioned pre-Christmas celebration at Bærums Verk, with the huge Christmas tree at the square, horse carriage for the kids, Christmas music and performances.

Here, you can listen to Christmas stories at Verket 1814 and admire crafts in the old workers' houses. Join a historical walk or a sculpture park tour when you admire the country's largest expo of Norwegian three-dimensional art: Let the little ones take part in fun Christmas workshops. The last four Sundays before Christmas Eve, you can buy locally-sourced treats – for yourself or to put under the Christmas tree at the Farmer's Market.

In beautiful surroundings by the Lomma river, Bærums Verk has rows of old wooden houses housing artisan workshops, art- and jewelry galleries, the iron smith (22nd July monument in Oslo), glass blowers and restaurants. At Klart Glass discover how the most exquisite glasses are being blown, or maybe blow your own!

We recommend to enjoy a gourmet meal at the charming historic Værtshuset Inn, the oldest eatery on historic ground. For informal dining we suggest the Pizza- or Pancake restaurant.

Bærums Verk has over 40 shops and eateries and is easily accessible by bus from Oslo.

Their Christmas market is a favourite outing for the locals in December, as well as a tour with the local historic Steam train deep into the Lommedalen forest. Welcome!
